

Mission:

To support affordable housing in America by linking global capital markets to the nation's housing markets.

Notes & News

April 26, 2013
No. 8

This publication will be used periodically to provide reminders or further information about Ginnie Mae programs, as well as notification of upcoming training events or conference calls of interest to our Issuers. Please note, APMs (All Participants Memoranda) will continue to be the formal communication device used to announce and implement official policy changes to Ginnie Mae's Mortgage-Backed Securities (MBS) programs. If you have any comments or suggestions on how to make this publication more informative and helpful, please contact your Account Executive directly.

Issuer Outreach Call

The next Issuer outreach call will take place Thursday, June 13, 2013 at 2:00 PM EST. Additional 2013 outreach calls are scheduled for September 12 and December 12, 2013 at 2:00 PM EST. We welcome your comments and suggestions, so if you have any suggested topics for the next outreach call, please let us know.

Ginnie Mae Disclosure Data Bulletins

For those of you who may not be aware, we have an additional communication tool for the Investor community. Ginnie Mae Disclosure Data Bulletins provide reminders or further information about Ginnie Mae data disclosure activities. The MBS Disclosure Data Bulletins can be found on our website in the MBS Disclosure Data section. Another great way to receive these notices is through Ginnie Mae's subscription service.

GinnieNET Biometric Scanners

During the last outreach call, several Issuers raised concerns about GinnieNET scanners. If you are in need of a replacement, please contact the GinnieNET Customer Service Unit (800) 234-4662, option 1. The cost of a new biometric scanner is \$129 plus shipping and handling.

Concept: Ginnie Mae Education Summit

As many of you are aware, Ginnie Mae currently provides training several times a year at different locations. However, Ginnie Mae would like to assess Issuer and Document Custodian interest if instead we were to provide a more comprehensive training opportunity in Washington, DC in mid-August or September where program participants would have an opportunity to obtain training, meet Ginnie Mae leadership, discuss hot topics, and provide program feedback. We ask that you check your available travel funds and interest in participating in such an event. On the next outreach call, we will assess interest and determine next steps.

Forms Quicklinks Web Page

Based on feedback received from users of Ginnie Mae's website, a new web page has been added to our website. If you are looking for a specific Ginnie Mae HUD form, you can now use the "Forms Quicklinks" page, under the Issuer Resources section. In addition, the table on the web page includes the link to the corresponding appendix.
