New Portal Empowers the Modern Ginnie Mae Community

MY GINNIE MAE ENTERPRISE PORTAL

Why Portal?

An Enterprise Portal is a web-based environment that allows users to conduct daily business activities through a single user interface.

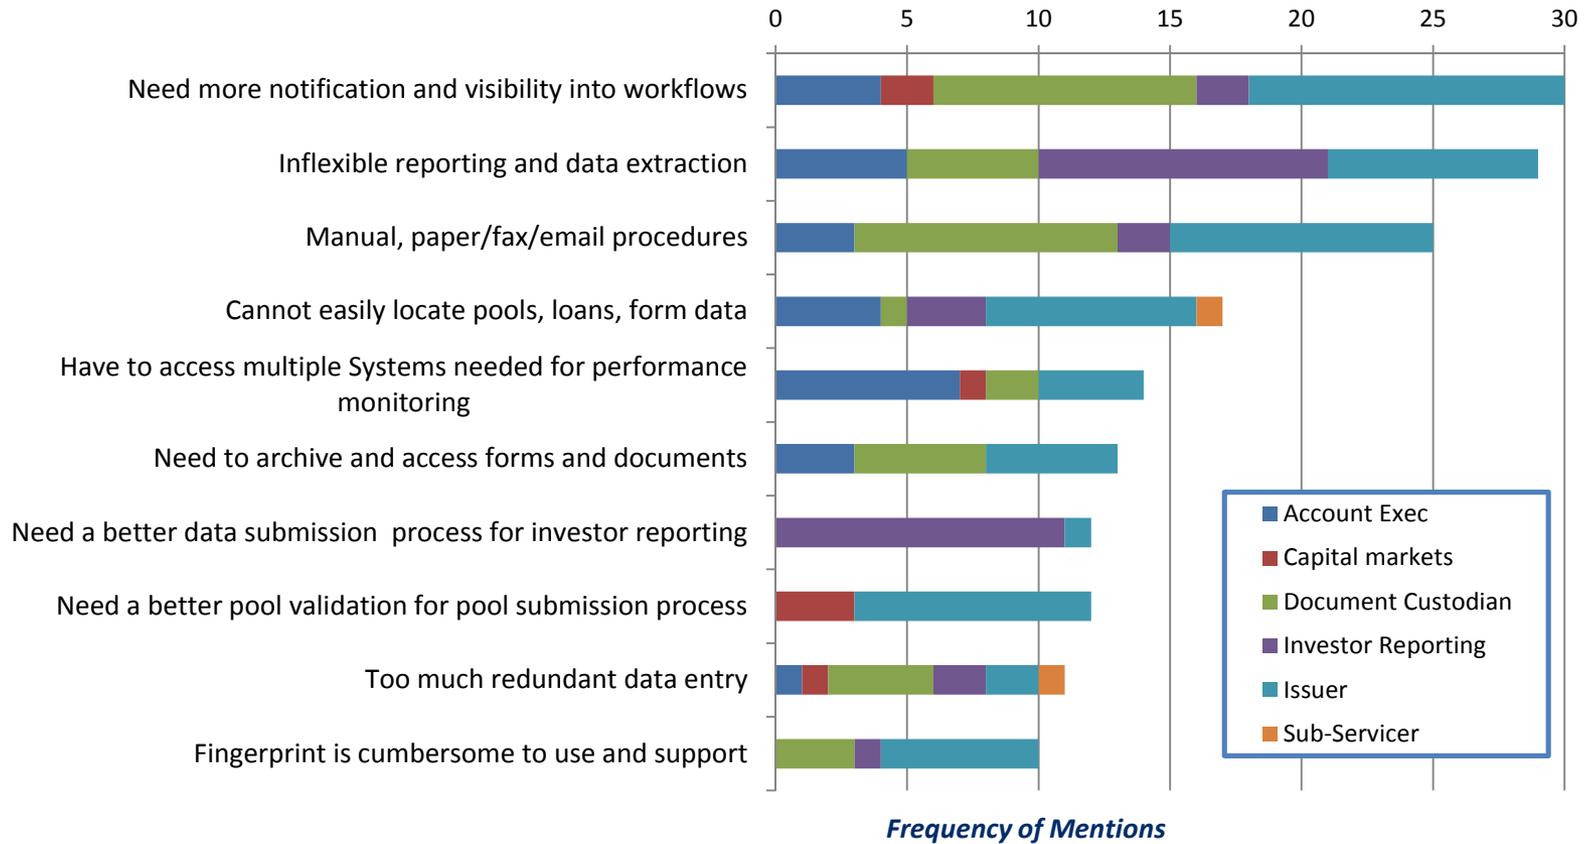

Business Drivers	Streamline Processes	<ul style="list-style-type: none"> • Improves communications and collaboration through a single environment • Allows for integrated workflows between multiple business applications
	Improve Decision Making	<ul style="list-style-type: none"> • Provides “just-in-time” information vital to business decision making • Provide users all the information necessary to understand
	Build Intellectual Capital	<ul style="list-style-type: none"> • Better manages critical business and technical knowledge • Information is managed through a centralized, secure interface
	Enhance User Experience	<ul style="list-style-type: none"> • Single sign on for all enterprise applications • Customizable views based on user profile • Tailored user experience for different stakeholder groups

Portal Elements Objectives & Design resulted from Stakeholder Interviews

- Institutional Knowledge
- Education
