Memo

APM 13-07

To: All Participants in Ginnie Mae Programs
From: Theodore W. Tozer, President
Subject: MBS Guide Updates: Office Name Changes

Ginnie Mae is pleased to announce that the names of many of its offices have changed to more accurately reflect the activities and responsibilities of the office. For example, the Office of Mortgage Backed Securities is now known as the Office of Issuer and Portfolio Management and the Office of Program Operations is now known as the Office of Securities Operations. The MBS Guide, including the Summary of Addresses and all forms and Appendices, has been updated to reflect the office name changes.

In addition, in some instances, the mailing address or overnight delivery address for a Ginnie Mae office also has been changed. In particular, we note that the address for overnight delivery of new MBS Issuer applications has changed. New applications should be sent via overnight delivery to:

Ginnie Mae
Office of Enterprise Risk
550 12th Street, SW, Third Floor
Washington, DC 20024

For additional assistance, Issuers may contact their Ginnie Mae Account Executive in the Office of Issuer and Portfolio Management at (202) 708-1535.
