MEMORANDUM FOR: All Participants in Ginnie Mae Programs

FROM: Thomas R. Weakland, Acting Executive Vice President

SUBJECT: Ginnie Mae's Enterprise Portal

Ginnie Mae's Enterprise Portal (GMEP) is Ginnie Mae's single access point for online business applications. As such, Ginnie Mae is continuing its ongoing effort to migrate its business applications into the GMEP.

Beginning on October 1, 2009, several applications will be accessible through the portal (<https://www.eginniemae.net>) including:

- RFS File Upload
- Exception Feedback
- Monthly Report of Pool and Loan Data – Single Family
- Monthly Report of Pool and Loan Data – Multifamily
- GNMA Portfolio Analysis Database
- Servicemembers Civil Relief Act (SCRA)

GinnieNET will continue to be accessed through the GinnieNET website (<https://www.ginnienet.net>).

Issuers should be aware that e-Access (<https://www.ginniemae.gov/e-access>) will continue to be used in support of the following functions:

- WHFIT Tax Reporting
- Monthly Report of Pool and Loan Data – HMBS
- e-Notification

On December 1, 2009, the e-Notification application will migrate into the portal environment. All Issuers and Document Custodians must register for access to the portal; additional instructions on how to register for the GMEP are forthcoming. Issuers that obtained GMEP user accounts during RFS Issuer Testing are not required to obtain new GMEP user accounts, as their accounts are valid on the GMEP website.

For questions related to the GMEP and GinnieNET, please call the GinnieNET help desk at 1-800-234-4662. For additional assistance on all other applications, please submit your questions online to the [RFS Help Desk](#). Issuers may also contact their Ginnie Mae Account Executive in the Office of Mortgage-Backed Securities at (202) 708-1535.
