

Ginnie Mae June 2014 Investor Outreach Call

Ginnie Mae invites you to participate in its June 2014 Investor Outreach call. The call will take place on the following date and time:

- **June 18, 2014 at 2:00 P.M. Eastern Time**

In order to participate in the call, you will need:

- A computer with access to the Internet
- WebEx client installed on a computer (see details below)
- A telephone

On the day and time of the call, follow these instructions to join:

1. Web Conference:

Navigate to the following URL using the Internet Explorer web browser and follow the instructions below to access the web meeting:

<https://deloitteevents.webex.com/deloitteevents/onstage/g.php?d=660094291&t=a>

Please follow these steps.

1. Enter Your Name and Email
2. Click "Join"
3. If you are prompted for a password, enter "ginniema"

Participants will be allowed to join the web conference 15 minutes prior to the start of the call. Please note the program will ask you to install the free WebEx client if you have not done so prior to the meeting. Follow the instructions on your screen to install the client. You may need to turn off your popup blocker in order for the program to install correctly.

2. Audio:

Dial the following conference telephone number and provide the access code:

Conference Number: +1 888-946-7212

Participant Access Code: **When prompted, say "Ginnie Mae" to the operator**

Troubleshooting

If you have any questions, please send an email to the Ginnie Mae Training Mailbox (gnmatraining@hud.gov) for assistance.

WebEx Installation Instructions:

Please follow the instructions below to test your ability to connect prior to the meeting.

Please note that you will need the WebEx client installed on your computer in order to access the web conference. If you do not have this program installed, the free client version can be downloaded from WebEx's website. You can download and test the program by clicking the following link: <http://www.webex.com/test-meeting.html>. Enter your name and email address and click "Join." Follow the instructions on the screen to install and test the program.
