

GMEP RSA SecurID Token Initial Procedures

Acquiring Initial Token Pin

Step 1.0

After you have called into the RSA SecurID token Activation Line to enable your RSA SecurID Token, your token will now be in new pin mode. Log in to the GMEP Portal (www.eginniemae.net) and click on the “RSA TOKEN VALIDATION” tab. Next, enter your “User ID” (not case sensitive) in the “User ID” field and enter your 6-digit Tokencode (*the 6 digits displayed on your RSA SecurID token*).

The screenshot shows the GinnieMae Enterprise Portal interface. At the top, there is a navigation bar with a menu (File, Edit, View, Favorites, Tools, Help) and links for Help, Contact us, and Signout. Below this is the GinnieMae logo and the text "ENTERPRISE PORTAL". On the right, it says "WELCOME MR. KARTIK SHARMA" and "The Bank Of New York Mellon". A secondary navigation bar contains "PROCESSING & SERVICING", "REPORT CENTER", and "RSA TOKEN VALIDATION" (which is circled in red). The main content area is titled "RSA SecurID Validation" and contains a form with two input fields: "Username" (containing "l_ksharma") and "RSA Pin & Token*". A "Validate" button is positioned below the second field. A message below the form reads: "If you are in new pin mode, please enter your 6 digit token code only. The system will generate the pin for you." At the bottom of the page, there are links for "PRIVACY POLICY" and "GINNIE MAE: GOVERNMENT GUARANTEED", along with a small lock icon.

Step 2.0

Memorize the new pin shown on the screen. This PIN will now be your 4-digit PIN which will be part of the passcode for token authentication. Next, follow the token authentication validation procedures to now validate your token.

The screenshot shows the Ginnie Mae Enterprise Portal interface. The top navigation bar includes 'File', 'Edit', 'View', 'Favorites', 'Tools', and 'Help'. The main header displays the Ginnie Mae logo and 'ENTERPRISE PORTAL'. The user is identified as 'MR. KARTIK SHARMA' from 'The Bank Of New York Mellon'. The current page is 'RSA TOKEN VALIDATION'. The main content area shows an 'RSA SecurID Validation Response' table with the following details:

RSA SecurID Validation Response	
Username:	l_ksharma
Response Code:	0
Response Message:	Memorize your new Pin: 0918

A red arrow points to a 'back' link located below the response message.

At the bottom of the page, there are links for 'PRIVACY POLICY' and 'GINNIE MAE: GOVERNMENT GUARANTEED'.

If you receive the following response “RSA Authentication Failed for UserID XXXXXX. Access Denied,” your token already has a PIN. If you do not know the PIN you will need to contact the RSA SecurID Token Activation Line at 1-800-332-4550 (Option 8).

Token Authentication Validation

Step 1.0

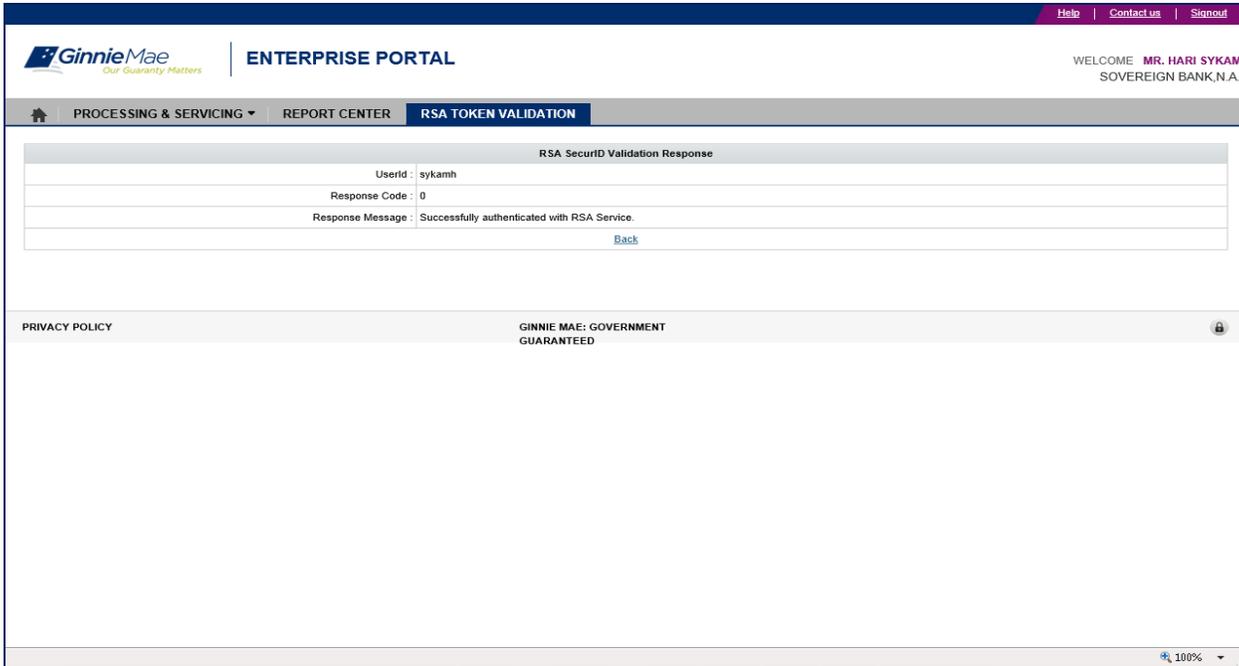

Log in to the GMEP Portal (www.eginniemae.net) and click on the “RSA TOKEN VALIDATION” tab. Next, enter your “User ID” (not case sensitive) in the “User ID” field and enter your “PASSCODE”

Note: The “PASSCODE” is your 4-digit PIN followed by your 6-digit Tokencode (the 6 digits displayed on your RSA SecurID token). Please ensure when entering your “PASSCODE” that there are no spaces between your 4-digit PIN and your 6-digit Tokencode.

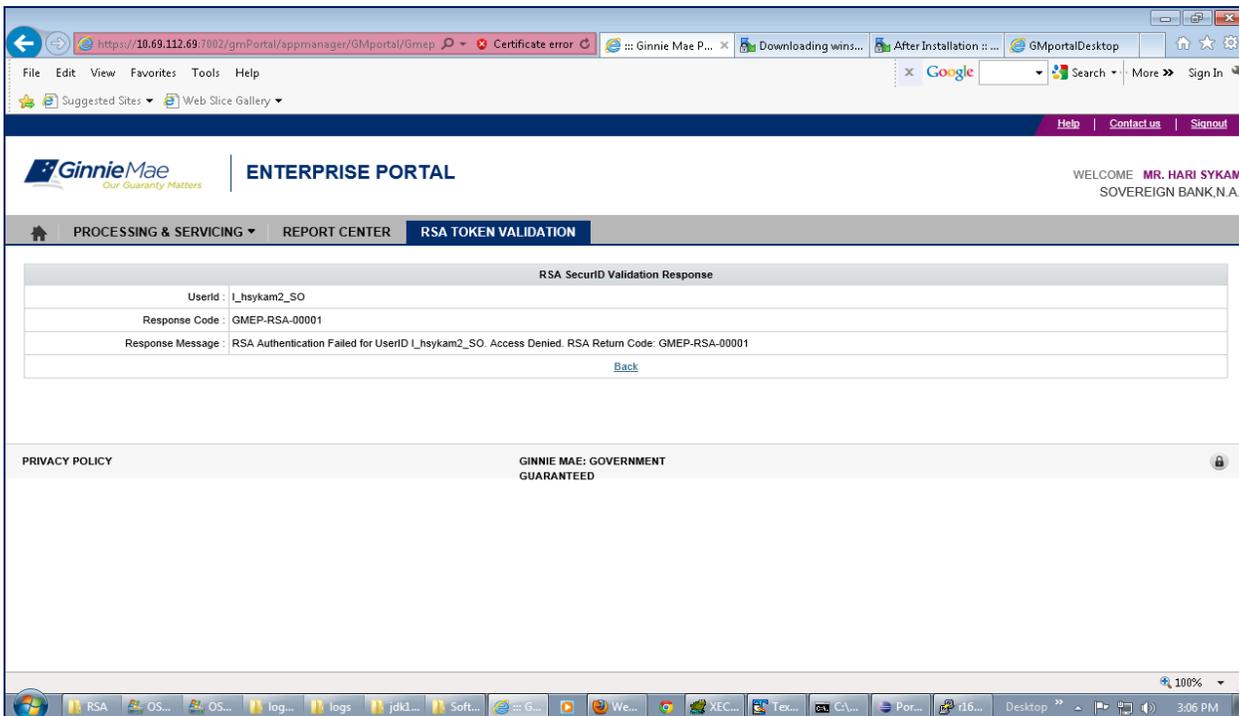

Example: If my User ID is ABC123, then enter ABC123 in the User ID field. If my 4 Digit PIN is 9876 and the 6 Digit Number that is currently being displayed on my RSA SecurID Token is 289437, then I would enter 9876289437 in the Enter SecurID Passcode field.

The screenshot shows the Ginnie Mae Enterprise Portal interface. At the top left is the Ginnie Mae logo with the tagline "Our Guaranty Matters". To its right is the text "ENTERPRISE PORTAL". In the top right corner, there are links for "Help", "Contact Us", and "Signout", and a welcome message: "WELCOME MR. HARI SYKAM SOVEREIGN BANK, N.A.". Below the header is a navigation bar with a home icon, "PROCESSING & SERVICING", "REPORT CENTER", and "RSA TOKEN VALIDATION" (which is circled in red). The main content area is titled "RSA SecurID Validation" and contains two input fields: "User Id:" and "Enter SecurID Passcode:". Below these fields is a blue "Validate" button. At the bottom of the page, there is a footer section with "PRIVACY POLICY" on the left, "GINNIE MAE: GOVERNMENT GUARANTEED" in the center, and a lock icon on the right. A zoom level of "100%" is visible in the bottom right corner.

Step 2.0 A Valid Authentication will yield the following screen depicting a Response Code of "0" and a response message: ***Successfully authenticated with RSA service.*** :

Step 3.0 An **Invalid Authentication** will yield the following screen with the following response message: **RSA Authentication failed for USER <USER NAME><RSA RETURN CODE>**.

If you receive an invalid authentication please try again to assure that information was input properly. If authentication continues to show as invalid, please contact the RSA SecurID Token Activation Line at 1-800-332-4550 (Option 8).
