

# MYGINNIEMAE LEGACY CREDENTIAL REMOVAL DATES

Ginnie Mae has been promoting the use of the new MyGinnieMae portal since the beginning of the year and will continue to do so through the removal of old legacy credentials for all users that have direct login access to GMEP 1.0 and GinnieNET. Each month Ginnie Mae will assess and elect Issuers for legacy credential removal. The Organization Administrators for the elected Issuers will receive direct email notifications that their organization will begin using MyGinnieMae exclusively. End Users will be notified via a general Message in the portal. For questions about legacy removal activities, contact [CXG@hud.gov](mailto:CXG@hud.gov).

September	October (if needed)	November (if needed)	December (if needed)
<b>Aug Wk4</b> Initial email notification to Org Admins	<b>Oct Wk1</b> Initial email notification to Org Admins	<b>Nov Wk1</b> Initial email notification to Org Admins	<b>Dec Wk1</b> Initial email notification to Org Admins
