GinnieNET On The Web

Adoption and Release of Form HUD-11705/11706 for Initial Certification.

I hereby certify that all of the information I provided on Forms HUD-11705 (Schedule of Subscribers and Ginnie Mae Guaranty Agreement) and HUD-11706 (Schedule of Pooled Mortgages) in an electronic format generated by this system and in any accompanying documentation is true and accurate to the best of my knowledge and belief. I understand that if I knowingly have made any false, fictitious, or fraudulent statement, representation, or certification on the forms and in any accompanying documentation, I may be subject to civil and criminal penalties, including fines and/or imprisonment, under applicable federal law, including but not limited to 18 U.S.C. 1001, 1010, 1012, and 21 U.S.C. 322b, 3832.

I acknowledge that the loan data I submitted was subject to a file format conversion whereby the current MSMD definitions are changed to the "legacy" Ginnie Mae definition to make the file compatible with the GinnieNET application. I acknowledge that I have reviewed the forms in an electronic format generated by this system for completeness and accuracy and that the file format conversion process did not change the content of the loan data.

By adopting the forms in an electronic format generated by this system, I agree to issue and administer any Ginnie Mae mortgage-backed securities issued and service pooled mortgages in accordance with Section 305(g) of the National Housing Act, applicable regulations, relevant Guaranty Agreement and the applicable "Government National Mortgage Association Mortgage Backed Securities Guide" (handbook 5500.3) in effect as of the issue date specified on the forms.

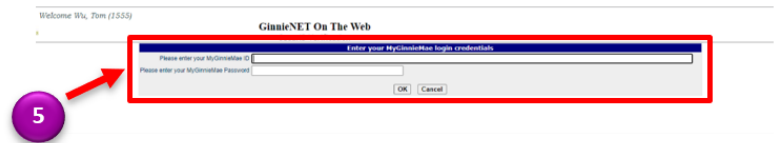

Ginnie Mae will release the forms to the Approved Document Custodian designated on the forms for Initial Certification upon the issuance of securities under the Ginnie Mae Mortgage Backed Securities program.

Ginnie Mae and Ginnie Mae agree that any electronic record created by this system shall be deemed (i) to be "written" or "in writing," (ii) to have been signed and (iii) to constitute a record established and maintained in the ordinary course of business and an original unaltered record created from electronic files. Neither party shall contest the admissibility of true and accurate copies of such electronic records or associated electronic signatures.
