

CHAPTER 4. ISSUERS AND SUBSERVICERS – RESPONSIBILITIES

PART 1. OVERVIEW OF CHAPTER

Effective Date: 2018-11-08

For each Ginnie Mae pool or loan package, there may be only one Issuer of record. The Issuer is fully responsible for the administration of the securities and the servicing of the pooled mortgages. This chapter will summarize these responsibilities and direct the reader to the chapters in which they are described in greater detail. The Guaranty Agreement also provides more detail. Because the Issuer is permitted to arrange for a servicer to perform some, though not all, of the required servicing functions on behalf of the Issuer, this chapter will also describe briefly the role of a servicer.

PART 2. ISSUER'S RESPONSIBILITIES

Section A. Responsibilities

Effective Date: 2018-11-08

The Issuer's responsibilities include:

- (1) Acquiring or originating eligible mortgages and forming eligible pools or loan packages. *(Please See MBS Guide Chapter 9 for mortgage, pool, and loan package eligibility requirements)*
- (2) Establishing and maintaining proper P&I and escrow custodial accounts and, if elected or required, disbursement and clearing accounts for the pools and loan packages. *(Please See MBS Guide Chapter 16 for information on such accounts)*, and handling properly all payments and other funds pertaining to the pooled mortgages. Issuers must also establish and maintain a central P&I custodial account.
- (3) Obtaining an eligible document custodian. All documents for a pool or loan package must be held by one document custodian. *(Please See MBS Guide Chapter 13 for information regarding the document custodian)*
- (4) Providing the required loan, pool, and loan package documents to the document custodian and to the PPA. *(Please See MBS Guide Chapter 10 for details on assembling and submitting these documents)*
- (5) While custodial documents are in the Issuer's possession, maintaining such documents in compliance with the same document safekeeping standards that apply to document custodians.
- (6) Marketing or holding the securities backed by the pool or loan package. *(Please See MBS Guide Chapter 12 for information about issuing and marketing Ginnie Mae securities)*
- (7) Servicing the mortgages in the pool or loan package or, where permitted by this Guide, contracting with a servicer to service them. *(Please See MBS Guide Chapter 14 through 20 for pool administration details)*
- (8) Administering the outstanding securities:
 - (a) Ginnie Mae I MBS Program

- (i) Under the Ginnie Mae I MBS Program, the Issuer must make timely payment of all amounts due to security holders of certificated securities, and make available, in a designated account (which may be the central P&I custodial account described in the next paragraph), to the depository, as security holder of all book-entry securities, all amounts due in respect of such book-entry securities and to the CPTA the guaranty fee due to Ginnie Mae.
- (b) Ginnie Mae II MBS Program
 - (i) Under the Ginnie Mae II MBS Program, the Issuer must make available to the CPTA in the central P&I custodial account all amounts due to security holders and the guaranty fee due to Ginnie Mae.
 - (ii) Under both Programs, the Issuer must use its own resources to cover shortfalls in amounts due to security holders or to Ginnie Mae resulting from insufficient collections on the mortgage collateral. (*Please See MBS Guide Chapter 15 for information about how security holders and Ginnie Mae are paid under both Programs*)
- (9) Submitting required monthly, quarterly, and other reports and certifications to Ginnie Mae. (*Please See MBS Guide Chapter 15 for reporting requirements*)

Section B. Subservicing

Effective Date: 2018-11-08

For most program types, the Issuer may arrange for a subservicer to perform servicing functions on its behalf, except those functions set forth in MBS Guide, Ch. 4, Part 2, § C. The Issuer remains fully responsible for the performance of any servicing functions that have been delegated to a subservicer. The Issuer is liable to Ginnie Mae for any representations or omissions submitted on its behalf by a subservicer, including those representations or omissions reflected on the Issuer's monthly report of pool and loan data to Ginnie Mae and on the Issuer's Monthly Reporting Certification in RFS.

To perform servicing functions for another Issuer, a subservicer must be a Ginnie Mae-approved Issuer and meet all requirements for maintaining Ginnie Mae Issuer status. Information pertaining to the administration of HMBS Participation accounting can be found in MBS Guide, Ch. 35.

Section C. Nondelegable Responsibilities

Effective Date: 2018-11-08

The Issuer may not delegate or transfer to others (through a power of attorney or otherwise) its obligation or authority to perform the following functions:

- (1) Both Ginnie Mae MBS Programs
 - (a) Withdraw funds from a P&I custodial account for any purpose, including making payments to security holders.
 - (b) Sign any certifications to Ginnie Mae required by this Guide, the Guaranty Agreement, or otherwise requested by Ginnie Mae, with the exception that an Issuer may delegate to a subservicer the authority to complete the monthly certification

required by MBS Guide, Ch. 17, Part 5, Monthly Certification Requirements, or MBS Guide, Ch. 35, Part 12, Pool, Loan, and Participation Accounting and Reporting, provided that the Issuer does not list any employees of the subservicer in its on HUD-11702. Issuers are strictly prohibited from listing employees of a subservicer on the Issuer's HUD-11702.

(c) Withdraw mortgage documents from the document custodian.

(2) Ginnie Mae I MBS Program

(a) Withdraw funds from a P&I custodial account for any purpose, including making payments to security holders.

(b) Sign checks to security holders and to Ginnie Mae; a subservicer may, however, prepare and distribute the checks to security holders and to Ginnie Mae.

(c) Sign remittance advice to security holders.

(d) Remit guaranty fees to Ginnie Mae.

(e) Maintain the register of security holders.

(3) Ginnie Mae II MBS Program

(a) Withdraw funds from the central P&I custodial account or any other P&I custodial account for any purpose.

Notwithstanding this, as described elsewhere in this Guide, the CPTA and the depository are authorized to access central P&I custodial accounts or other designated accounts to debit the account by ACH for amounts due to security holders and the guaranty fees due to Ginnie Mae.

PART 3. SUBSERVICER'S RESPONSIBILITIES

Section A. Permitted Subservicing Functions

Effective Date: 2018-11-08

Servicing of all program types, except MH pools, may be carried out on behalf of the Issuer by another servicer (a subservicer) under a contractual agreement between them. The subservicer must be a Ginnie Mae approved Issuer and the subservicing arrangement must have Ginnie Mae's prior written approval. There may be only one subservicer for each pool or loan package.

(1) Permitted Subservicing Functions

(a) Subservicing arrangements may cover many of the functions customarily associated with mortgage servicing, including receipt and deposit of mortgagors' monthly payments and payment of taxes and insurance premiums in connection with the pooled mortgages. The subservicer is allowed to supply its own funds to the Issuer (1) to make advances necessary to ensure that funds required to pay security holders and Ginnie Mae are available on a timely basis and (2) to cover losses on foreclosures that are not covered by FHA, VA, RD, or the § 184 loan guaranty. Upon demand by Ginnie Mae, subservicers advancing funds on behalf of an Issuer shall disclose the frequency, duration, amount, and purpose for such advances.

- (b) The Issuer, however, may not delegate or transfer to others (through a power of attorney or otherwise) its obligations to perform, and the subservicer may not perform, the functions set forth in MBS Guide, Ch. 4, Part 2, § C above. Those functions must be carried out by the Issuer.
- (c) The following tables summarize the responsibilities that must be performed by the Issuer and those that may be performed by a subservicer. The first table sets forth responsibilities that exist under both the Ginnie Mae I and Ginnie Mae II MBS Programs. The next table shows additional responsibilities that the Issuer and the subservicer have only under the Ginnie Mae I MBS Program. Effective Date: 2019-09-01

The Issuer must request approval of a subservicing arrangement by submitting a cover letter and Master Servicing Agreement, form HUD-11707 (Appendix III-1), to the PPA (*Please See MBS Guide Addresses*). The form HUD-11707 may not be altered. Ginnie Mae may, in its sole discretion, approve or reject subservicing arrangements and limit the percentage of the overall Ginnie Mae portfolio that may be subserviced by a specific Issuer. Ginnie Mae will consider the subservicer’s percentage of outstanding Ginnie Mae guaranteed MBS and HMBS portfolio, as applicable, as one of the factors when evaluating an Issuer’s requests for approval of subservicing arrangements.

Section C. Separate Agreements

Effective Date: 2018-11-08

If the Issuer and the servicer wish to set forth the terms of their relationship more fully in a separate agreement that is consistent with the terms of the applicable Guaranty Agreement and this Guide, they may do so. Any agreement of this nature will be subordinate to the applicable Guaranty Agreement and this Guide.
