RENEW OR CERTIFY MASTER AGREEMENTS BY DECEMBER 31, 2021

Issuers are reminded that renewal or certification of Master Agreements must be completed no later than December 31, 2021. In order to ensure adequate time for documents to be reviewed and approved by Ginnie Mae, Issuers are encouraged to renew or submit revised Master Agreements as soon as possible. Failure to comply with this MBS Guide requirement will interrupt the ability to submit and issue Ginnie Mae MBS after December 31, 2021. Individuals submitting Master Agreements must have the proper MyGinnieMae (MGM) Master Agreement functional role to access the Master Agreements Management System (MAMS). If you need the appropriate functional role, contact your Organization Administrator(s). For technical assistance with the application please contact Ginnie Mae Customer Support at 1-833-466-2435, option #1 then option #4.
