

## Ginnie Mae Enterprise Portal RSA SecurID Token Validation

## Step 1.0

Log in to the GMEP Portal (www.eginniemae.net) and click on the "RSA TOKEN VALIDATION" tab. Next, enter your "User ID" (not case sensitive) in the "User ID" field and enter your "PASSCODE"

Note: The "PASSCODE" is your 4-digit PIN followed by your 6-digit Tokencode (the 6 digits displayed on your RSA SecurID token). Please ensure when entering your "PASSCODE" that there are no spaces between your 4-digit PIN and your 6-digit Tokencode."

Example: If my User ID is ABC123, then enter ABC123 in the User ID field. If my 4 Digit PIN is 9876 and the 6 Digit Numbers that is currently being displayed on my RSA SecurID Token is 289437, then I would enter 9876289437 in the Enter SecurID Passcode field.
